What if we all changed our siggies in some kind of final tribute.

I'm not talking anything crazy, and most of it is stuff people already have, but I thought it'd be cool if we all kinda had it

Like your name, how long you've been on the forums, your star count, and your final words of wisdom/advice

That way if you still wanted to keep some part of your siggy you'd still have room

Wouldn't have to be depressing colors or certain fonts or anything like that, I don't want to ruin anyone's ~aesthetic~

just as a final 'community coming together to do a thing' thing

if you've got any other ideas lemme know

I'm slowly fixing my siggy- this is a great idea! I'm still working on the words of wisdom, but I've put my time here and my star count up!

I did most of this, but my final words to the forums are already in my signature, so I didn't change that

this sounds like a really awesome idea! But I'd like ask? The forums are being deleted?... I found this place 2 years ago but went inactive for quite a while so I am not caught up...I've seen a lot of things like this now, and I'd like to ask..

Yes, the forums are being deleted. Becky made a sticky thread about it; go read that.
